MADE EASY!**

Purpose: This seminar is to teach the participants how to handle dogs. It is not a training session for dogs. It is, therefore important that the dog be a least one (1) year old and well behaved. A participant may alternate two (2) dogs. Mr. Vroom will work with each class for an hour at a time during which time the other class will participate in another area. Wear appropriate rubber sole shoes, have a show lead, bring paper and pencil for taking notes. Consider wearing show clothes.

Corky Vroom: Over 1,000 Best in Shows! Over 4,000 Group 1's!, 4 Quaker Oats winners and seven Garden group winners! Corky Vroom has handled three dogs to Top Dog all breeds and was twice Fido Dog Handler of the Year and twice Kennel Review Handler of the Year. Mr. Vroom brings his expertise to those who want to compete among the best and win! Learn how to present your dog's best assets and minimize the faults
